

WORKING/BARN CAT ADOPTION APPLICATION

In order to better match your circumstances and needs with suitable working/barn cat(s), please answer the questions below. An adoption counselor will review your application and contact you to discuss more specific details about the program and your situation. The adoption fee for one of our working/barn cats is donation-based since these are generally less socialized cats that cannot be placed as a family pet inside a home.

We appreciate your time and interest in helping us save more lives under the Push P.A.W.S. No-Kill initiative!
